

SUMMER SOCIAL MEDIA *GLOW UP*

Looking to start building your social media presence, overhaul your strategy, or give your profiles a new look?

Whether you're a content guru, have a savvy social media manager on staff, or avoid those platforms like the plague, there is no doubt that a strong social presence is a must for all businesses in 2024.

And whatever state your socials are in currently (even if they're just a twinkle in your eye), we can help! For the **summer only**, we're offering a build-your-own social media package to bundle some of our most popular services.

From the creation of a **content strategy** to reach your business goals to **custom social post templates** that preserve your internal team's time - we can help at all stages!

DESIGN YOUR CUSTOM PACKAGE:

- Profile setup and optimization
- Audit of existing social media profiles
- Custom content strategy
- Creation of visual kit (*includes reusable post templates, profile photos, profile banners, and story highlight covers*)
- Content creation
- Strategy consulting
- Other (*contact us through the info below!*)
