

# SUMMER SITE SWEEP: WEB AUDIT

Are you maximizing the potential of your company's website?

If you're looking for ways to help **generate more traffic, improve user engagement**, and **increase your leads** - Digital Ignite is here to help.

For the **summer only**, we're offering **special website audit pricing**, making this the perfect time to invest in your company's online presence and finally tackle one of those projects you never seem to have time for. Our audit will help identify key opportunities to improve your website's **SEO, technical performance, user experience**, and more - without breaking the bank. Don't miss out on this limited-time offer!

## WHAT YOU GET:

- An in-depth review of your website (up to 12 pages), analyzing:
  - User Experience & Web Design Best Practices
  - Site Performance Metrics
  - Accessibility Compliance
  - Technical SEO (*up to 500 pages*)
- A report outlining areas of opportunity and recommended steps towards improvement

We're ready when you are! Reach out to us at [info@digital-ignite.com](mailto:info@digital-ignite.com), through our socials, or give us a call at **(843) 800 - 8889**.
